Hardin Elementary spent the year with many new and many familiar faces. Among the changes that the school experienced was a new principal, Mr. John Granger, who came to our system from Wright State University. He and Mrs. Wick kept things at a steady pace throughout the year and look forward to another year of working together with staff and students.

The staff, who are all members of the Hardin-Houston Education Association, completed many projects this past year. Among these were the Halloween safety flyer distribution, immunization charts, summer activity sheets, and a Meet the School Board Candidate Night.

Staff members at both schools feel responsible for guiding and directing extra-curricular activities and believe that education must be a fully rounded process including music, drama, arts, athletics, and other social functions. They are proud of the work they have done to prepare the Hardin and Houston students to take a place and succeed in today's society.

Sirpa Ikonen

Sirpa Ikonen is an exchange student from Finland, wh has been staying with the Douglas Stangel family. During th school year, Sirpa participated on the girls varsity volleyba team. She likes cross-country skiing, bicycling, and swin ming. She prefers the Finnish school lunches, she says th are more nutritious. Her favorite subject is basic cooki because it's fun. The music in Finland is more pop music tha rock 'n roll, even though one of her special memories is of th Van Halen concert and she also likes to listen to Michael Jac son. Sirpa's general impression of the United States is that th most important thing is the family. She said the teens Finland mature quicker, when you become 18 years of a the government considers you an adult rather than having be 21.

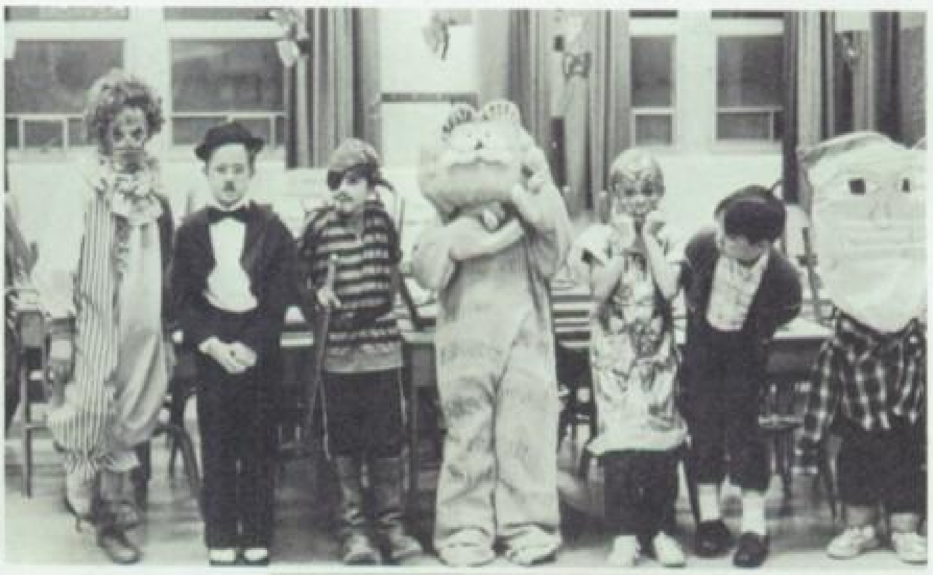
HARDIN

HARDIN RURAL SCHOOL

Hardin had an exciting year, beginning with a new principal, Mr. John Granger. Their school year was a blend of new and old experiences.

The playground was upgraded, basketball hoops installed, and outdoor activity encouraged. The Hall of Fame continued to hold a prominent place in the main entry way and was something all students and staff were proud of.



As in past years, the P.T.O. sponsored the Halloween Carnival, but a "first" along with it was a staff Spaghetti Supper that received excellent support from the community. The entire event was a success and enjoyed by all those who attended.

Some firsts at Hardin included "Secret Pals" for staff and students, the organizing of a Student Council and showing of movies as a reward connected with the Assertive Discipline program.

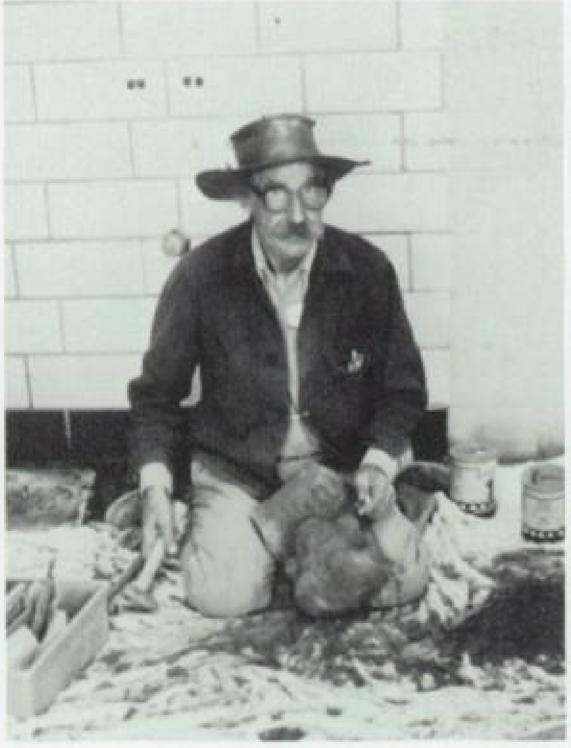
Front Row: Janell Rindler, Missy Pine, Rob Warren, Greg Diehl, Elaine Laughlin-Director. **Back Row:** Tom Elliott, Greta Inderrieden, Art Schmidt, Michelle Leapley, Bonnie Biza, Leann Michael, Kelli Bennett.

Under the direction of Miss Elaine Laughlin, the school play "Here Come the Brides", was presented for the enjoyment of student body and community alike. In addition, the cast took their production on the road and performed for the residents at the Dorothy Love Retirement Community.

There are many long hours involved in preparation for the play and the students worked very hard to present a polished performance. Also, a special thanks was extended to all those people behind the scenes who make this effort possible.

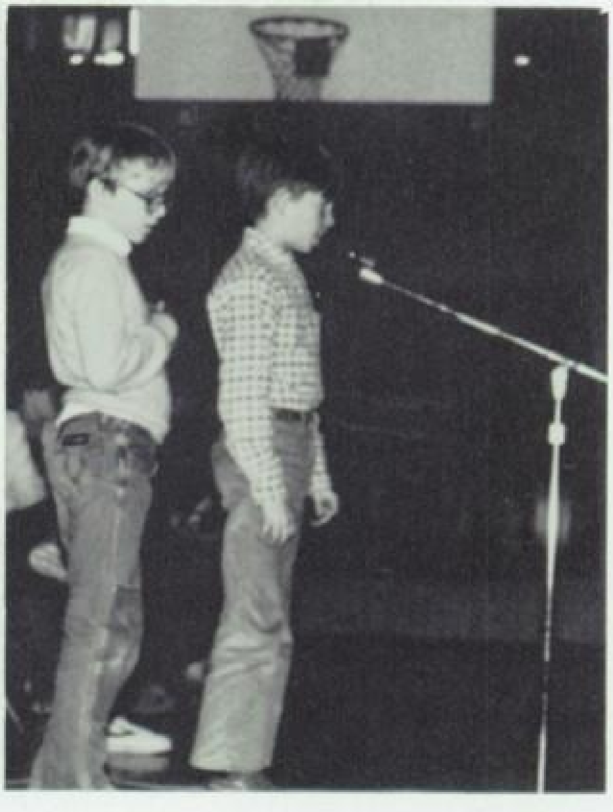


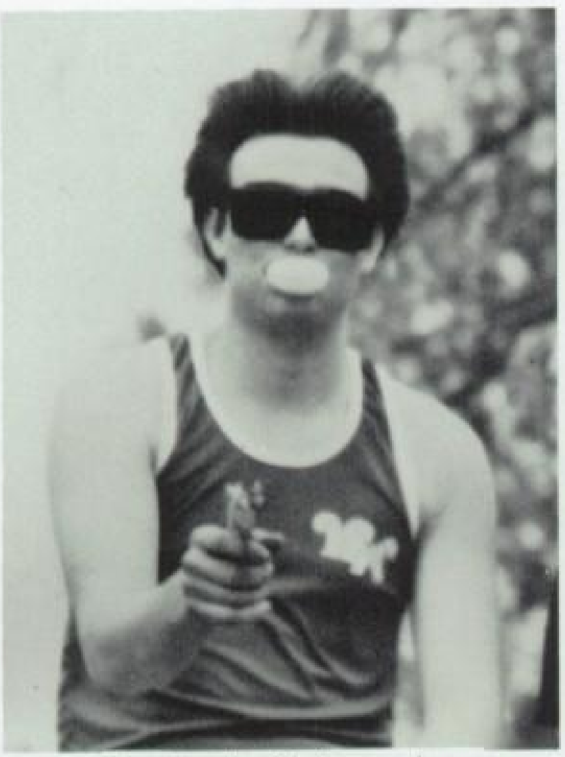
POPEYE

On Sunday, May 6, 1984, Houston High School sponsored a Art Show/Band Festival for the community. Many exhibits were displayed and the band performed throughout the afternoon.

Featured during the festival was Mr. Ernest "Popeye" Reed, a stone carver from Jackson, Ohio who was the Houston "Artist-in-Residence" this past spring.

This years Spelling Bee winners were Nathan Stricker, first place and Audra Clark was the runner up. Many students participate in this event. Mr. Abbott was in charge of this event. It was held at Houston's old gym.





Go ahead—Make my day.

"Where's the feet?!

"Anything Goes Day", an annual event sponsored by the Hardin-Houston Education Association in an effort to raise money toward their scholarship fund, was held on Friday, May 11, 1984. The day was overcast, but certainly did not dampen the spirits of all the competitors.

The Class of 1985 ended up as the overall winners, but all of the teams involved put forth thier best during the competition.

Some of the most popular events included the Obstacle Course, Spoon of Water Race, Shoe Shuffle, and the Tug of War.

The Varsity and Reserve squads were very busy this year in the never ending quest to promote school spirit. During the summer the girls held a garage sale to raise money for cheerleading camp. Varsity Cheerleaders—Bottom: Sherry Vestal. **Standing:** Janell Rindler, Lisa Phyillaier, Bonnie Biza. **Top:** Greta Inderrieden.

The girls also made posters, signs and run-throughs for the basketball games. They also cheered at the games and acted as Catman's bodyguard on several occasions.

The Houston High School Girls' Track team was led throughout the season by efforts of track veterans Lynn Bauer, and Deb Couchot.

Individual efforts that should be recognized were those of Sherry Poeppelman, who competed on the Regional and State levels in long jump, Lynn Bauer, who had a first place finish in the Shelby County meet in the 3200 meter run and went on to compete on the Regional level in that event, and that of Shelly Bauer who also competed in the Regional meet in the 800 meter run.

With these performances and the constant support and effort of all the other team members, the girls had a season they can look back on with good memories.
